**THE SENIOR CLASS
OF**

NORTHWESTERN HIGH SCHOOL

R.R. 2, KOKOMO, INDIANA

PRESENTS THEIR

1958 PANORAMA

"Those who enter its doors leave with greater knowledge."

DEDICATION

You are typical teens—making fun out of work—rehearsing plays, practicing basketball, printing programs, selling magazines, setting up chairs, decorating for dances.

You're a typical teenager when you buy a class sweater, order a class ring, go steady, shop for a new formal, present your dates corsages, paint your senior cords, rock and roll in your bobby socks.

You're a typical teen when you enjoy a late snack, watch TV, take candid shots at a slumber party, leave early to beat the curfew; you hold down a job—baby sit, clerk at the five and dime, car hop, gas jockey—for a little extra money.

You go out for sports 100%—stay for softball games, cheer in the Pep Club, vote for track queen and participate in music programs, play in the band, sing in the choir, participate in contests, represent our school in Latin and Science contests, agriculture judging teams, in your churches, 4-H clubs, tourneys.

Your daily schedule is a familiar pattern of school life—mad rush—up at the last minute—maybe oversleep—no breakfast—catch the bus—chatter in the halls between classes, maybe a locker date—run to the cafeteria for lunch—goody goody—hamburgers, chili—sloppy joes—drink cokes—munch candy bars—you enjoy school but hate to admit it—study some—three hours a night—no—a week—try to get an "A"—average a "C"—an occasional "D"—anyway, you make the grade—but you're satisfied.

And so, since you recognize yourself as a typical teenager—we DEDICATE THE 1958 PANORAMA TO YOU — THE STUDENTS OF NORTHWESTERN HIGH SCHOOL — our typical TEENAGERS.

Our Cheer Block is an excellent example of our typical teens. They support our Basketball team, display good sportsmanship,

CLUB

inspire a loyal enthusiasm for our school, and are ever striving to create good will toward all.

PRINCIPAL'S MESSAGE

In this scientific age of space ships, supersonic speed, and "sputnik" satellites, our teenagers must face the future armed with a high school diploma as a passport to a satisfactory job, serious higher education, and successful living. The tasks ahead are not as impossible as some would have you believe, nor as easily accomplished as you might desire. Perseverance, perspective, and pluck demonstrated during your high school days will serve as the propellant necessary to launch your career.

The faculty and administration of Northwestern High School wish you the success that you deserve and the happiness required to make life worth living.

George A. Davis

Being Superintendent of the Clay-Ervin-Howard Corporation requires Mr. Davis to do some traveling in order to complete the business.

THEY DIRECT

Watching movies is very entertaining as well as educational. Here the Latin Class watches a movie.

All freshman girls at Northwestern gain much from the Guidance Class.

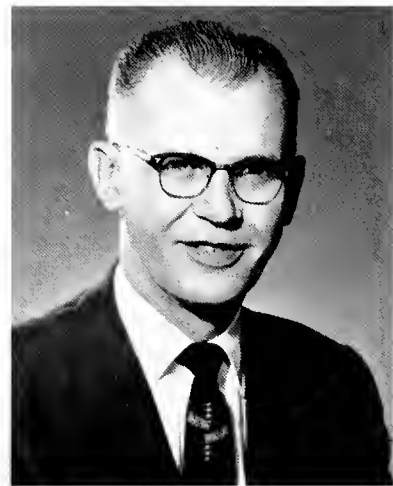

In Geometry we learn to construct angles.

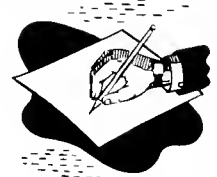

General Math helps us understand the Roman numerals.

MRS. MARGARET AYERS is a new member of our faculty this year. She had taught here at the Clay Township school before the consolidation. She has an A.B. degree from Indiana University and teaches Latin, English, and Girls' Guidance. She is a sponsor of the Juniors and directed their class play.

MR. WAYNE BOLTON, our Vice Principal, is completing his thirty-eighth year in public school teaching. He holds an A.B. degree from Central Normal College and an M.S. degree from Indiana University. Algebra, Geometry, and General Math are his subjects this year and he sponsors the Honor Society and assists with the Rifle Club.

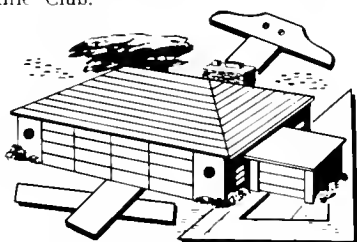

UR STUDIES.

MISS DOROTHY H. BOWMAN has an A.B. degree from Manchester College and has also attended Ball State Teachers College and American College of Physical Education in Chicago. She came to our school on October 4 of this year to teach Vocational Home Economics and Health. Mrs. Albert Kindig substituted until that time. Miss Bowman also sponsors the Sunshine Society.

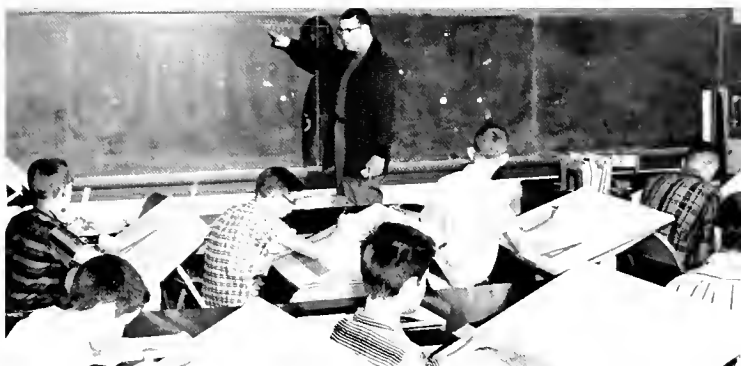

MR. ROY F. CLIFTON has a B.S. degree from Ball State Teachers College. He teaches Biology and Mechanical Drawing and sponsors the Freshman Class, the Conservation Club and the Rifle Club.

At the annual District Sunshine Convention, held at Northwestern this year, Miss Bowman assisted the girls in registering the visiting delegates.

One of the Sophomore Home Ec projects is to prepare and serve a dinner.

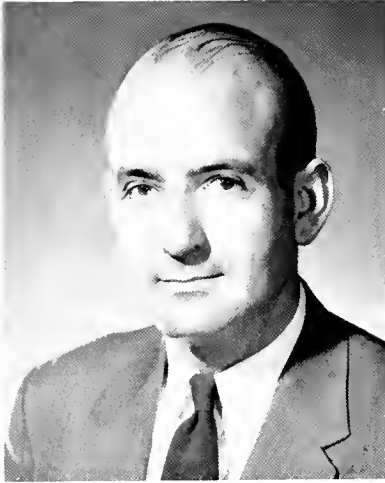

Mr. Clifton teaches the students to be very exacting in Mechanical Drawing.

Bugs and frogs are not the only things which constitute a good Biology Class.

THEY HELP US

MR. GEORGE R. DAVIS holds an A.B. degree from DePauw and an M.S. degree from Indiana University. He is the Supervising Principal of the Clay-Ervin-Howard Corporation and the Principal at Northwestern High School. He teaches sociology and psychology, manages the school cafeteria, and sponsors the Christian Service Club.

Sociology helps greatly in teaching the seniors to get along with the outside world.

It was a pleasure for Mr. Davis to accept the trophy from the basketball team. It was presented to the school at a convocation.

MRS. HELEN S. FARLOW has a B.S. degree from Purdue University. She teaches Freshman and Sophomore English and sponsors the Sunshine Society and the Debate Club.

In Mrs. Farlow's Literature Class all are taught to appreciate good literature.

The end of a semester finds the teachers grading exams and making out grades. Mrs. Farlow is in the process of recording hers.

PLAN OUR CURRICULUM.

Mr. Gilbert explains the fine points about raising better crops.

Mr. Gilbert instructs these boys in vocational farm shop which will be quite helpful in their years of farming.

The Physics Class agrees that modern living requires science.

Trigonometry prepares students for college mathematics.

MR. J. EDWARD GILBERT holds a B.S.A. degree from Purdue University. He teaches Vocational Agriculture and General Business. Also, he has an adult agriculture program he teaches at night two evenings a week. He sponsors the Future Farmers of America, the Operators' Club, and the Senior Class.

THEY PREPARE US TO

Our curriculum offers more than the three "R's."

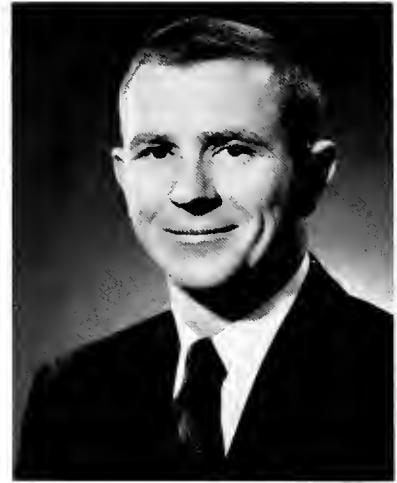

Mr. Hoban coaches the Tiger team to bigger and better things.

There are 55 voices in our robed choir. Here they are practicing for a performance.

The band works hard to increase their skill. In the background are a few of the many citations earned by Northwestern's music department.

MR. MERRILL D. HOBAN has a B.S. degree from Indiana Central College. He teaches Driver Training and Boys' Health. He is the Athletic Director for the Clay-Ervin-Howard Corporation, coaches the Varsity Basketball and Track and assists with Baseball. MR. J. ALBERT KINDIG has a B.S. degree from Indiana Central College. He is the Music Supervisor of the Clay-Ervin-Howard Corporation and teaches the High School Band and Choir, the Freshman Choir, and the Northwestern Junior High Band. In Boys' Guidance all freshman boys are under the direction of Mr. Owen.

We learn to be good citizens and prepare for the future in Government Class.

American History is made interesting by the use of maps.

The Physical Education class develops students both physically and morally.
